Dear Principal,

In addition to our original *Decorating Boomerang*, Boomerang Native Art has introduced two new products in 2011. The *Throwing Boomerang* gives students the opportunity to not only apply their designs but also provides a tangible activity to enrich their learning. The *Group Activity Boomerang* is perfect for fetes and fundraising activities, providing a template for quick application of designs. Brochures for these two new products, as well as the original *Decorating Boomerang* are included.

Prices for each product are outlined below (not inclusive of GST or freight). We invite you to visit our updated website ([www.boomerangpainting.com.au](http://www.boomerangpainting.com.au)) for more information, inspiration and step-by-step tutorials to help you get started.

Boomerang Native Art is an Australian owned company and continues to manufacture all products in Australia from Australian plantation timber. To order your boomerangs, please complete the order form below and fax to 02 9624 5454.
